

TWIN SNAKES

HARIBO

MARKET CONTEXT & PRODUCT

97% Brand Awareness

Sour candies are a fast-growing segment (+7%)

Fruit gummy (55% of the segment, +21% in 3 years)

Global market leader in gummy candies

Trusted by kids and adults worldwide

Twin Snakes fills this gap without competing with what is already there

“CONSUMERS DON’T NEED IT, THEY WANT IT.”

CHANNEL STRATEGY & SHELF

WHERE TWIN SNAKES ROTATES FIRST

01

PRIORITY 1 – HYPERS

Esselunga, Ipercoop, Carrefour – 902 stores. Only channel with simultaneous control of promo aisle and checkout. Maximum impulse visibility.

02

PRIORITY 2 – E-COMMERCE

Amazon Italia + Esselungaacasa.it. Fastest growing channel (+++). Allows a premium pricing without resistance. Deep assortment without physical shelf limitations.

03

COMPLEMENTARY – TOY STORES

Toy Center – 1,000 stores. Families in discovery mode. Lower competitive pressure. Sweet vs. sour mechanic sells itself in an entertainment environment.

04

EXCLUDED – DISCOUNTS

LIDL, ALDI, Penny – price-only environment is simply incompatible with the brand identity and perceived value.

CHANNEL STRATEGY & SHELF

BEYOND CONVENTIONAL RETAIL

Secondary placement becomes our primary trial driver – **Where the environment sells the product for us**

SPECIALTY CANDY

Pick-and-mix format removes barrier to first purchase.
Urban young adult target. High positioning value.

TRAVEL RETAIL

Malpensa & Linate airports where shoppers are in
indulgence mode. Sweet vs. sour needs no language,
universal visual identity for international travellers.

CINEMA

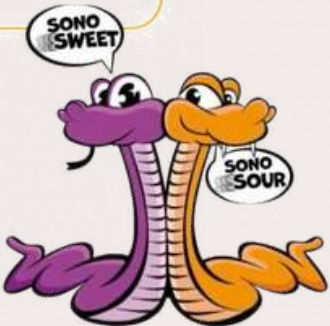

The Space Cinema. Full indulgence mode, no price
comparison. Virtually no branded candy competition. Two
central buying teams only.

HYPERS – IN-STORE TRIAL FUNNEL

Key

- 1 Priming – shopper sees product before entering candy aisle
- 2 Exploration – dual concept communicated, curiosity converts to intent
- 3 Conversion – impulse closes at checkout

PROMOTIONAL PLAN

THREE PHASES. ONE CAMPAIGN– A CAMPAIGN DESIGNED TO FOLLOW THE CONSUMER ACROSS 3 KEY MOMENTS THROUGHOUT THE YEAR

PHASE 1 – WE INTRODUCE THE PRODUCT
Launch Activation | May/June

PHASE 2 – CONSOLIDATION DURING A PERIOD OF HIGHER INTERACTION
Summer | July/Aug

PHASE 3 – THEMATIC SEASON TO MAXIMIZE CREATIVITY AND IMPACT
Halloween | October

PHASE 1

Launch Activation | May/June

DRIVING FIRST TRIAL THROUGH SURPRISE

Generate first purchase | Hypers Only

THE SURPRISE: Two-headed gummy.
The shopper doesn't know which side they'll bite first. Genuine, spontaneous, filmable.

WHERE

Hypers: Esselunga, Carrefour
Placing the brand in the highest impulse zone

THE MECHANIC

Brand promoter + branded display at checkout. Shopper bites first, discovers side later

ENTRY PRICE

€1.49 – a mid-size range entry point, removes barrier to first purchase

CONTENT

Promoter films genuine reactions → posted on Haribo Italy's social channels

PHASE 2 Summer | July/Aug

MASS AWARENESS THROUGH EXPERIENCE Gardaland Water Park Partnership

- **THE ATTRACTION**
Two snake-shaped water slides (purple = sour, orange = sweet). Product identity at 1:1 scale.
- **PURCHASE MOMENT**
Branded stand right after the slides.
The kids lived it, the product will be placed exactly where excitement is highest
- **CONTENT ENGINE**
During the summer the park becomes our content engine.
Family UGC – amplifies reach organically on social media and keeps the brand present all season long.

PHASE 3

Halloween | October
